

TO WHOM IT MAY CONCERN

We hereby declare that the fur felt bodies that we supply, are made from either rabbit fur (*Lepus cuniculus* Lin.), and/or hare fur (*Lepus europaeus* Pall.), and/or beaver fur (*Castor canadensis* Kuhl). We also declare that these furs are obtained from animals bred in captivity for their meat, or captured for control population proposes.

We use fur from animals that are bred according to international regulations in what respects animal welfare.

TO WHOM IT MAY CONCERN

We hereby declare that we seek the safety and health of children, so, for legal and moral reasons we do not use child labour to produce felt hat bodies or any other product or service.

We respect and fulfil all the Portuguese and European regulations on what concerns child labour.
